Emergency Order

ALASKA DEPARTMENT
OF FISH & GAME

Under Authority of AS 16.05.060

Emergency Order No. 2-RS-4-38-19

Issued at: Kodiak, Monday, July 22, 2019

Effective Date: 12:01 a.m. Wednesday, July 24, 2019

Expiration Date: 11:59 p.m. Tuesday,
December 31, 2019, unless superseded by
subsequent emergency order.

EXPLANATION:

This emergency order reduces the bag and possession limit for sockeye salmon in the SALTERY COVE drainage from five to two fish.

REGULATION:

The provisions of 5 AAC 64.022 (b)(5) are superseded by this emergency order. Under this emergency order, the following provisions are effective 12:01 a.m. Wednesday, July 24 through 11:59 p.m. Tuesday, December 31, 2019:

5 AAC 64.022. Waters; seasons; bag, possession, annual, and size limits; and special provisions for the Kodiak Area.

(b)(5) in the SALTERY COVE drainage, the bag and possession limit for salmon, other than king salmon, is five salmon of which only two fish may be coho salmon and two fish may be sockeye salmon;

Doug Vincent-Lang
Commissioner

By delegation to:

Tyler Polum,
Kodiak Area Management Biologist

JUSTIFICATION:

The escapement goal for sockeye salmon into the SALTERY COVE drainage is 15,000 to 35,000 fish. Through the weekend, the weir count was 7,058 sockeye salmon, which is the lowest count on record for this date. Based on historical run timing, about 41% of the run has occurred and is not projected to make escapement objectives without a reduction in current harvest levels. Therefore, it is warranted to restrict sport fishing for sockeye salmon to two fish per day to reduce harvest and attempt to achieve the escapement goal.

DISTRIBUTION:

The distribution list for this emergency order is on file at the Region 2 Office of Alaska Department of Fish and Game, Division of Sport Fish, 333 Raspberry Road, Anchorage, AK 99518, (907) 267-2218.
